

# CSCL09

COMPUTER SUPPORTED COLLABORATIVE LEARNING

## CSCL Practices

8-13 June 2009, Rhodes, Greece

**The theme** of the 8th International CSCL conference emphasises "Practices" relating to technology based collaborative learning in three major areas:

- Learning in typical educational institutional structures,
- Learning in every day life
- Learning in workplace structures.

There are a **variety of sessions** to participate in: paper sessions, interactive sessions, symposia, panels, workshops, seminars, tutorials, educational showcases, posters, demos, exhibitions.

**Submissions deadlines:**  
November 1, 2008 & December 20, 2008
